Federal Parent PLUS loan funds must be refunded to the parent borrower unless the parent has signed a waiver and consented to disbursing the funds to his/her son or daughter.

By signing below, you authorize Colorado Christian University to refund the excess loan funds (any amount over the tuition, fees, and related charges for the semester) directly to your son or daughter in either a refund check, or directly deposited into their personal bank account.

Please note that it is not possible to do partial refunds (i.e., a certain amount to you and a certain amount to your student).

Return the form to Service Central at 303.963.3231-fax. Please contact the Service Central office directly at 303.963.3230 or [StudentPayments@securemail.ccu.edu](mailto:StudentPayments@securemail.ccu.edu) with any questions regarding the credit balance refund process.

*I authorize Colorado Christian University to refund any credit balance from my Parent PLUS loan funds directly to my son/daughter in his/her name.*
