PROVIDE ADDED IMPACT FOR SUCCESS IN TODAY'S WORKPLACE

The certificate programs at CCU are designed to give students an in-depth and comprehensive examination of relevant subject matter with content that has practical application in work, church, and personal settings.

THIS PROGRAM IS FOR YOU IF:

- You're looking for a career change after being out of the workforce.
- You want to advance in your current position, but don't have the necessary skills.

WHY YOU WANT TO CHOOSE CCU

You have the opportunity to learn with a biblical worldview. CCU offers a complete education designed to develop you intellectually, professionally, and spiritually.

Your life before CCU can work to your benefit. CCU's life experience policy lets you earn credits toward your degree through examination, prior military service, or a business internship program that earns credits in a real-life work environment.

You can attend a program designed for the adult learner. A combination of online instruction and Web-enhanced, in-seat courses gives you greater flexibility to complete assignments while honoring important family and work commitments. We also recognize your work experience as a valuable contribution to online discussions and assignments.

You matter as a person at CCU. You'll receive personal attention from faculty and staff who want to know you as an individual, and help you reach your goals.

Your experience will be reinforced with an emphasis on personal and professional ethics. You will explore philosophy, theories, and values as the basis for ethical decision making.

Your degree is from an accredited institution. CCU is accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools.

WHY LEARNING IS DIFFERENT AT CCU

CCU's personal approach to teaching and learning means you'll receive the finest education available in a small-class-size environment. Our faculty members bring scholarship and experience alive in the classroom, applying a wealth of academic and professional experience, and affording you the advantages of real-life perspectives while you learn.

Develop key competencies and leadership skills to enhance career opportunities in selective areas based on needs and interests.
