Student Body Diversity

Colorado Christian University is committed to developing and maintaining a diverse educational environment that meets the needs of all of its students. The University serves students from 50 states and all inhabited continents. Scholars range in age from 18 to more than 65. CCU believes that maintaining a welcoming and inviting learning community is vital to providing a well-rounded educational experience.

CCU students, whether first-year, continuing, transfer, or adult learners, come from diverse socio-economic, cultural, and ethnic backgrounds. While CCU remains unapologetically Christian in both its core beliefs and teaching, the College of Adult and Graduate Studies welcomes and serves students of all or no faith backgrounds. It is through this melding of varied life experiences and viewpoints that forms the bedrock of the University's commitment in inclusivity and growth, whether on campus or online.
