Earn College Credit with StraighterLine

StraighterLine offers 60+ low-cost online general education courses designed to fit your budget, your schedule, and your degree program.

“ When I spoke with my student advisor, I learned that my college and StraighterLine had an existing articulation agreement in place. The articulation agreement spelled out exactly which StraighterLine courses could be used for credit in my degree program. It was that easy. ”

– Peter Kennedy

Ultra-Affordable: Courses start at \$59 with a \$99 monthly membership.

Free eTextbooks: StraighterLine eTextbooks are included for free.

Self-Paced: Start immediately and work at your own pace. You can go as fast as you want. Typically, it takes students **4-6 weeks to complete** a StraighterLine course.
