

## TRANSFER ARTICULATION AGREEMENT

This TRANSFER ARTICULATION AGREEMENT (“**Agreement**”) is made between Colorado Christian University, a Colorado nonprofit corporation with offices at (8787 W. Alameda Ave., Lakewood, CO 80226) (“**CCU-CAGS**”) and the State of Colorado, Department of Higher Education, State Board for Community Colleges and Occupational Education, for the use and benefit of the Colorado Community College System, a state system of thirteen (13) community colleges created under Colorado law with offices at 9101 E. Lowry Blvd. Denver, CO 80230 (“**CCCS**”). CCU-CAGS and CCCS may each be referred to herein as “Party”, and collectively as “Parties”.

### RECITALS

A. This agreement sets forth the terms and conditions for students to transfer to a Colorado Christian University College of Adult and Graduate Studies (CCU-CAGS) degree program following the completion of an associate of arts or associate of science degree from a CCCS institution. CCU-CAGS is a post-secondary institution of higher learning that offers accredited programs that educate and qualify students to receive baccalaureate degrees in a variety of academic disciplines, as well as other post-secondary degrees and certificates.

B. Each of the thirteen community colleges that constitute the CCCS (“**CCCS School**”) is a regionally-accredited post-secondary institution of higher learning that offers accredited programs that educate and qualify students to receive associate of arts (“**AA**”) and associate of science (“**AS**”) degrees, as well as other post-secondary degrees and certificates.

C. The Parties wish to collaborate on the terms set forth in this Agreement to promote and facilitate a program (“**CCU Partnership Pathway Program**”) for the transfer of any student from a CCCS School (“**CCCS Student**”) to CCU-CAGS so that such student may be able to complete the courses needed to earn a bachelor’s degree from CCU-CAGS. In furtherance of this purpose, this Agreement, among other things, identifies the courses a CCCS Student must complete and any other requirements that must be satisfied in earning a CCCS AA or AS degree in order to qualify for the CCU Partnership Pathway Program assurance specified in Section 1.1 below.

NOW, THEREFORE, in consideration of the mutual promises and covenants set forth in this Agreement, the Parties agree as follows:

#### 1. Elements of CCU Partnership Pathway Program

1.1 A CCCS Student who (i) earns an AA or AS degree at any CCCS School, (ii) completes all of the course requirements for the AA or AS degree with a grade of C- or higher in each of those courses, as verified by an official transcript from the applicable CCCS School(s), (iii) successfully completes all of the CCCS courses in the Transfer Guide, attached to this Agreement as Exhibit A and made a part hereof, that are listed therein as Courses to take at CCCS, General Education Courses, each with a grade of C- or higher, and (iv) is admitted to the corresponding bachelor’s degree program at CCU referred to in Exhibit A hereto, will be entitled to the following assurance:

a. Junior academic status with no more than sixty (60) semester credits remaining to satisfy the one

hundred twenty (120) semester credits required for completion of the bachelor's degree program referred to in Exhibit A hereto.

1.2 Any CCCS Student ("**CCCS Transfer Student**") who is admitted to CCU-CAGS through the (CCU Partnership Pathway Program) will be subject to all of the remaining graduation requirements for the bachelor's degree programs referred to in Exhibit A. A CCCS Transfer Student is strongly encouraged to carefully examine all of such graduation requirements and to consult with a CCU-CAGS academic advisor to obtain answers to any questions about such requirements.

1.3 Any CCCS Transfer Student who is admitted to CCU-CAGS to complete the bachelor's degree program referred to in Exhibit A hereto is required to take all of the courses in the Transfer Guide, attached to this Agreement as Exhibit A and made a part hereof, that are listed therein as Courses to take at CCU-CAGS.

1.4 Completion of the CCCS Course requirements described in Exhibit A hereto that qualify for transfer under the CCU Partnership Pathway Program does not guarantee admission to CCU-CAGS. CCCS Transfer Students desiring to transfer to CCU-CAGS under the CCU Partnership Pathway Program must meet all application and admissions requirements for the CCU-CAGS bachelor's degree program for which the application is submitted, including, without limitation, submitting all required documentation by stated deadlines, including all official transcripts from institutions previously attended.

1.5 Any CCCS Transfer Student who is admitted to CCU-CAGS through the CCU Partnership Pathway Program is guaranteed transferability of the CCCS courses in the Transfer Guide, attached to this Agreement as Exhibit A and made a part hereof, that are listed therein as Courses to take at CCCS, General Education Courses.

1.6 CCU-CAGS assures acceptance of all qualifying academic credits earned by a CCCS Student if the courses are completed at a CCCS school within five (5) years of the current CCU-CAGS academic catalog. Any academic credits earned more than five (5) years before a transfer application is made will be evaluated by CCU-CAGS on a course-by-course basis, and may or may not be accepted as eligible transfer credits within CCU-CAGS' sole discretion.

1.7 Only courses with grades of C or higher are eligible for transfer under the CCU Partnership Pathway Program.

1.8 Admission to CCU-CAGS does not guarantee enrollment in a specific CCU-CAGS bachelor's degree program because some degree programs have controlled admission due to space limitations and/or special academic requirements.

1.9 The semester credit and course transfer assurance described in this Agreement applies only to the CCU-CAGS bachelor's degree programs specified in Exhibit A hereto.

1.10 Once admitted to CCU-CAGS, a CCCS Transfer Student must fulfill all program requirements and comply with all academic policies of CCU-CAGS as can be found in the CCU-CAGS Academic Handbook.

1.11 The CCU-CAGS degree Transfer Guides outline the degree completion requirements for CCCS Transfer Students. The Transfer Guide is a written agreement between the CCCS Transfer Student and the

appropriate undergraduate program. If the Transfer Guide expires before the CCCS Transfer Student has completed all degree requirements, the CCCS Transfer Student must complete the degree plan requirements in order to be awarded a bachelor's degree through CCU-CAGS.

1.12 CCCS Transfer Students may concurrently take courses at both institutions, as well as have access to advising and other services at both institutions. However, the transfer block credit cannot be awarded until after the students submits an official transcript from the CCCS School.

1.13 The CCCS Transfer Student's CCU-CAGS transcript will reflect the CCU-CAGS course equivalent and awarded credits with no letter grade indicated. The transfer credits do not contribute to the CCCS Transfer Student's GPA at CCU-CAGS. Transfer credits accepted by CCU-CAGS are not guaranteed to transfer to other institutions.

1.14 The Transfer Guide designates each course as it relates to the transfer of CCU-CAGS General Education course and Core courses. Any course not listed will transfer as an Elective credit with the exception of remedial (0-099) level courses, regardless of the addition date.

## **2. Transfers Outside the Institution Transfer Program.**

2.1 Any CCCS Student who does not qualify for transfer to CCU-CAGS under the CCU Partnership Pathway Program set forth in this Agreement may nevertheless apply to transfer to CCU-CAGS and request that courses completed at a CCCS School be approved for credit in satisfaction of the course requirements for the CCU-CAGS bachelor's degree program. In any such case, CCU-CAGS will evaluate each CCCS course submitted for transfer on a course-by-course basis, and reserves the right, in its sole and absolute discretion, to either accept or reject any submitted courses for transfer to CCU-CAGS. Furthermore, a CCCS Transfer Student applying to CCU-CAGS must meet all admission and application requirements for the CCU-CAGS bachelor's degree program for which the application is submitted, including, without limitation, submitting all required documentation by stated deadlines, including all official transcripts from institutions previously attended.

2.2 Once admitted to CCU-CAGS, a CCCS Transfer Student must fulfill all program requirements and comply with all academic policies of CCU-CAGS, as can be found in the CCU-CAGS Academic Handbook.

## **3. Rights and Obligations of CCU.**

3.1 CCU will annually review and update each Transfer Guide and make them available on the CCU-CAGS website.

3.2 CCU will designate one or more points of contact to respond to advising questions from CCCS advisors.

3.3 CCU shall have the sole right and authority to determine those CCCS courses that qualify for transfer under the CCU Partnership Pathway Program and whether a CCCS Transfer Student meets all of the requirements for admission to CCU-CAGS and all the requirements that must be satisfied in order to receive the CCU-CAGS bachelor's degree referred to in Exhibit A hereto.

3.4 Both Parties acknowledge that it is typically in the best interest of the student to complete their associate degree at his/her community college; both Parties will work together to support a student's completion of the associate degree at a CCCS college. Should a CCCS student transfer to CCU-CAGS prior to completing their associate's degree, CCU will encourage students to send transcripts back to CCCS for consideration of awarding of the Associates degree through a reverse transfer.

#### **4. Rights and Obligations of CCCS.**

4.1 CCCS shall provide to CCU-CAGS information regarding courses available through any CCCS School as CCU-CAGS may require in order to review and update Transfer Guides.

4.2 CCCS and the applicable CCCS School shall have the sole right and authority to determine whether a CCCS student meets all the requirements that must be satisfied in order to receive a CCCS AA or AS degree, as applicable.

4.3 CCCS shall monitor the academic performance of a CCCS Student transferring to CCU-CAGS under this Agreement and will identify and work to resolve problems that may interfere with the successful transfer of the CCCS Student to CCU-CAGS.

4.4 CCCS will meet potential CCCS Transfer Students desiring to participate in the CCU Partnership Pathway Program and will provide an appropriate location for presentation and advising sessions to take place.

4.6 CCCS will allow CCU-CAGS access to market and promote the CCU Partnership Pathway Program to CCCS Students. Examples include, but are not limited to, career and college fairs, opportunities to distribute materials on campus, attendance at on-campus admissions events, bulletin board space.

4.7 Federal regulations require that a student receive financial aid from only a single college from which courses are taken during a given quarter or semester. Therefore, the CCCS School will draft a Consortium Agreement as the home institution and CCU as the host institution.

4.8 CCCS agrees to promote the CCU Partnership Pathway Program to current students, staff, alumni, and community publication/media outlets.

#### **5. Mutual Rights and Obligations of the Parties.**

5.1 Each Party reserves the right and authority to amend the conditions or requirements for admission, acceptance, retention, and eligibility to receive the academic degree in their respective programs that are the subject of this Agreement at any time as may be necessary in the interests of the institution or the program, and in such event shall promptly give notice thereof to the other Party.

5.2 The Parties will collaborate with each other to promote the CCU Partnership Pathway Program by providing opportunities to communicate information about the Institution Transfer Program through the Parties' respective official websites. The Parties agree that any written materials, including online information, promoting the CCU Partnership Pathway Program shall be not be published or otherwise used without the prior written approval of both Parties.

5.3 The advising of CCCS Students regarding the admission to and program requirements of CCU-CAGS through the CCU Partnership Pathway Program will be the mutual responsibility of the advising staff at each CCCS School and CCU-CAGS.

5.4 The Parties shall undertake an annual evaluation of the collaboration supported by this Agreement and use the findings to improve the process for CCCS Student participation in the CCU Partnership Pathway Program.

5.5 The Parties agree to cooperate in communicating with each other and with their common and respective publics concerning the established relationship between the two institutions.

5.6 Any marketing of the CCU Partnership Pathway Program will be subject to the prior approval of both parties.

5.7 CCCS and each CCCS school will provide a link from their website to the landing page designated by CCU-CAGS.

5.8 Representatives from both CCCS and CCU-CAGS will confer annually to exchange updated degree requirements, admission, and transfer information to be used during the subsequent academic year. Each institution will notify the other of any contemplated changes that would affect the future of this agreement.

## **6. FERPA Compliance and Confidentiality of Student Education Records and Personally Identifiable Information ("PII").**

6.1 The Parties shall comply with the Family Education Rights and Privacy Act (FERPA) with regard to collection and use of Student Education Records. Authorized employees of the Parties will have access to Student Education Records as defined under FERPA for eligible students seeking or intending to enroll at CCU-CAGS. CCCS may provide PII for students who intend or seek to enroll at CCU-CAGS per this agreement as consistent with CCCS internal policy on Student Educational Records and Directory Information.

6.2 The Parties will disclose PII only for the purpose of fulfilling their duties under this Agreement, and will not share such data with or disclose it to any third party except as provided for in this Agreement,

required by law, or authorized in writing by both Parties.

6.3 CCU-CAGS shall use reasonable efforts to implement appropriate reasonable physical, administrative, and technical safeguards to prevent unauthorized use or disclosure of Student Education Records. Such measures will be no less protective than those used to secure CCU-CAGS's own data of a similar type, and in no event less than reasonable in view of the type and nature of the data involved.

## **7.0 Gramm-Leach-Bliley Act Compliance.**

7.1 The Parties shall comply with the Gramm-Leach-Bliley Act (GLBA) in its collection and use of student financial data. The Parties will use student financial data only for the purpose of fulfilling their respective duties under this Agreement for the student's benefit, and will not share such data with or disclose it to any third party except as provided for in this Agreement, required by law, or authorized in writing by the student.

## **9.0 Data Sharing between the Parties.**

8.1 Per paragraphs 6.1, 6.2, 6.3, and 7.1 and all applicable provisions of FERPA and GLBA, CCCS will provide CCU-CAGS with Student Educational Records necessary to a CCCS student's enrollment and participation in the CCU Partnership Pathway Program.

8.2 CCU-CAGS agrees to provide CCCS with certain de-identified data related to students participating in the CCU Partnership Pathway Program as more specifically outlined in Exhibit B on an annual basis.

or labor disputes, wars, insurrections, terrorism or civil disorders, acts of God, or any other cause beyond the reasonable control of the Party whose performance is affected; provided, however, that the Party affected by such a condition shall promptly give notice to the other Party stating the nature of the condition, its anticipated duration, and any action being taken to avoid or minimize its effect.
