*** Please forward to Bank where they will attach qualified "official" bank statement and letter on letterhead as stated above and submit via fax, email or mail.*

† Or other qualified amount based on permission from PDSO at CCU

**College of Undergraduate Studies
International Student Verification of Funds Form
2017-2018**

Dear Student, US Sponsor, Sponsor Organization, and Bank,

The tuition package rate for the College of Undergraduate Studies (Traditional) program at Colorado Christian University per year is \$29,870 (this covers 12-18 credits). Other costs might include student fees (\$500), room & board costs (\$13,326), travel to and from the US, travel while at CCU, health insurance, and other fees (estimated at \$1,500). Books can also cost up to \$1,000 per year. Similarly, international students should understand that they are not allowed to work for the first year at Colorado Christian University (except on campus) per F1 Visa regulations, and should, therefore, plan to bring spending money with them.

Thus, traditional international students need to certify (per I-20) that they have access to \$42,792.00 USD for each year of study at Colorado Christian University (minus scholarships) by providing verification of one or more of the following:

- (1) Provide official documentation from a sponsoring American citizen guaranteeing coverage of expenses [see DHS I-134 government form]; or use verification of funds form.
- (2) Provide a personal bank statement showing adequate family funding for one year using the verification of funds form. These funds must be available and designated for the use of the student.
- (3) Provide official documentation from a sponsoring organization guaranteeing coverage of expenses using the verification of funds form.

Please submit verification of funding to me at your convenience by faxing paperwork to 303-963-3011, or scanning and emailing paperwork to me at zdeboer@ccu.edu.

Please feel free to contact me with questions.

Thank you,

Zachary DeBoer
International Student Coordinator
Colorado Christian University
